SUMMARY

Second-year B.Tech student in Artificial Intelligence and Data Science with two research papers accepted at international conferences. Currently interning at ethara.ai on LLM pipelines and post-training workflows. Has led technical initiatives at the department level, managed student council finances, and contributed to IoT-based AI research.

EDUCATION

B.Tech in Artificial Intelligence & Data Science — Sanjivani University, Kopergaon, Maharashtra

2025 - 2028 | Currently Pursuing, 2nd Year

Diploma in Computer Engineering — MIT Polytechnic

2022 - 2025 | Final Score: 86.24%

INTERNSHIP EXPERIENCE

Post-LLM Trainee Intern — ethara.ai

Feb 2026 - May 2026

- Working on LLM deployment, prompt engineering, and post-training workflows including fine-tuning and RLHF.
- Assisting in integrating language models into production-grade AI application pipelines.
- Contributed to data preparation and evaluation tasks supporting LLM post-training workflows.

Artificial Intelligence and Machine Learning Intern — Edzu Edtech Pvt. Ltd.

Jul 2024 - Aug 2024

- Built and tested machine learning models on real-world datasets, covering preprocessing, training, and evaluation.
- Gained hands-on exposure to supervised learning workflows under industry mentorship.

RESEARCH & PUBLICATIONS

Contactless Fever Detection System Using WiFi Doppler Signal Distortion for Intelligent Health Monitoring

SEISM 2026, 1st International Conference on Sustainable Innovations, Sanjivani University | Conference Award Recipient - Best Paper Award

SenseBin: IoT-Based Solar-Powered Smart Dustbin for Real-Time Waste Level and Gas Smell Detection

IC-ECBE 2026, K.S.R. College of Engineering (Autonomous), Tamil Nadu & INTI International University, Malaysia | 26-27 March 2026, Certificate of Participation

TECHNICAL SKILLS

AI & Machine Learning: Large Language Models (LLMs), Generative AI, Machine Learning, Deep Learning, NLP, Prompt Engineering

IoT & Embedded Systems: IoT-AI Integration, Sensor Systems, Embedded AI, Hardware-Software Co-design

Programming & Development: Python (Intermediate), C (Fundamentals), Basic Python-based web development

Dev Environment & Version Control: VS Code, Git, GitHub, Replit

DevOps & Methodology: Agile Development, Design Thinking, IBM DevOps Practices

Data & Business Intelligence: Data Analytics, Business Intelligence, Cognos Analytics, Forage Simulations

Soft Skills: Research Communication, Public Speaking, Team Leadership, Problem Solving

CERTIFICATIONS

- Data Analytics Job Simulation - Deloitte (via Forage), June 2025

- DevOps, Agile & Design Thinking - IBM Career Education Program, March 2026
- Business Intelligence - IBM Career Education Program, July 2026
- Certificate Program in Python Full Stack - ExcelR EdTech Pvt. Ltd., April 2026
- Large Learning Modules, LearnVerse 2.0 - Crow Security, Techfest IIT Bombay, December 2025
- National Level Hackathon DEVCLASH - Certificate of Appreciation, DYP DPU & Devkraft
- Entrepreneurship Awareness Programme - MSME Technology Centre, Indo German Tool Room Aurangabad, Feb 2026

ACHIEVEMENTS

- Best Paper Award, SEISM 2026, 1st International Conference on Sustainable Innovations, Sanjivani University
- Winner, Gen AI Hackathon 2023
- Winner, Quiz Competition 2023
- Certificate of Participation, IC-ECBE 2026 International Conference, India and Malaysia
- Certificate of Appreciation, National Level Hackathon DEVCLASH (DYP DPU & Devkraft)

LEADERSHIP & EXTRACURRICULAR

Technical Head, AI & Data Science Department — Student Association, Sanjivani University (2025 - Present)
Documentation Co-Head — DJ Spectra Club (2025 - Present)
Treasurer — Student Council, MIT Polytechnic (2024 - 2025)
